RE: Letter of Support for Alexander Edelman

Dear Nomination Committee:

I am writing to express my support for Alexander Edelman's nomination as one of the Best LGBT Lawyers Under 40. He has shown exceptional dedication to the community and the profession.

I worked with Mr. Edelman when, as a student, he was the President of OutLaws at the University of Missouri Kansas City School of Law, a group for which I am the faculty sponsor. When he arrived, the group had become inactive. Rather than wait, he took over the group during his 1L year. He began to conduct regular meetings and to sponsor and co-sponsor events. He started doing Safe Space Trainings, training faculty, students, and staff to be more supportive of the LGBT students at our school.

In my experience, Mr. Edelman puts the needs of his community first, and organizes people to accomplish what needs to get done. I think he is highly deserving of this recognition.

Sincerely,
