Dear Ms Kemnitz,

This letter acknowledges support for Lambda Legal National Leadership Council member Edward Sadtler as one of 2013's Best LGBT Lawyers Under 40 and encourages his recognition through that award. Mr. Sadtler has served as a volunteer leader on the National Leadership Council, has been a long-time personal donor to Lambda Legal, and has been an active member of the Lambda Legal Metro New York Leadership Committee.

As the primary contact for Kirkland & Ellis's support of Lambda Legal as a national sponsor, Mr. Sadtler has been responsible for managing and obtaining his firm's important financial support for our organization. Further, he has been a primary contact for Kirkland & Ellis's significant pro-bono contributions as cooperating attorneys in several important Lambda Legal cases. Pro-bono support from law firms is very important to Lambda Legal's goal of achieving full recognition of civil rights for lesbian, gay, bisexual and transgender people and those with HIV through impact litigation, education and public policy work.

I want thank to Edward Sadtler for his support of Lambda Legal and his outstanding efforts as one of our important volunteer leaders and to clearly support his recognition as one of the Best LGBT Lawyer Under 40: Class of 2013.

Sincerely yours,

John Westfall-Kwong
Director of Development
