EMPLOYMENT

New York Public Interest Research Group (N.Y.P.I.R.G.)

May 2009 – September 2009

Albany, New York

Community Outreach Coordinator. Pushed for the adoption of stricter recycling laws in the New York State Legislature; Organized for the utilization of green energy resources; Raised community awareness and resources to combat the potentially devastating effects of pollution and climate change across the state.

Vertical Epic Fundraising Group

May 2007– August 2008

Oneonta, New York

Founding Director. The organization utilized fundraising techniques and community outreach to increase client customer or contributor bases. Clients included non-profits arts organizations and upstate New York businesses. As founding director, I was responsible for all company operations and training of fundraising employees on the nuances of face-to-face fundraising.

Chesapeake Bay Foundation

June 2006 – September 2006

Washington, DC

Community Organizer. Raised money and awareness for the federal adoption of regulation to curb industrial pollution, secure congressional funding for cleanup of the Chesapeake Bay, and tighten emissions standards across the nation.

Fundraising Initiatives - Mercy Corps'

May 2005 – August 2005

Crystal City, Virginia

Field Manager. Manager of Fundraising Initiative's charitable fundraisers and community organizers throughout the Washington, DC metropolitan area; Trained canvassers on face-to-face fundraising and community activism; Gathered support for the organization's charitable operations throughout the world, with a focus on providing developing nations sufficient access to infrastructure and clean water; Sent to the represent the charity during the Live-8 Concert in Philadelphia.

OTHER SKILLS

Information Technology- Extensive knowledge of computer based applications including Microsoft Word, Excel, PowerPoint. Additionally, I have experience with wireless network systems, and also have previous computer programming experience in Visual Basic and C++ programming languages.

Public Speaking – my extensive familiarity with public debate and past experience in theatre provides me with formidable public speaking skills.
