To Whom It May Concern:

I had the pleasure of working with Ms. Lorenz in a professional capacity at my law firm for over two years. She was originally hired at our firm as an entry level file clerk while pursuing her undergraduate degree at the University of Central Florida. Ms. Lorenz quickly demonstrated an aptitude far beyond this entry level position as well as her age. After only a few months, we promoted her to a legal assistant position in our litigation department where she excelled. I was quite impressed with her work product as well as her mature approach to her job. She was a valued employee at our firm and would make a great asset to any organization.

I strongly recommend Ms. Lorenz for employment. I am quite confident that her intelligence and strong work ethic will make her an asset to any employer. If I may be of any further assistance, please feel free to contact me directly as (407) 246-7040.

Sincerely,

Piercy J. Stakelum, IV, Esquire
