EXPERIENCES **Teach For America—Corps Member; Houston ISD—Bilingual Teacher** (2008-2011)

- Motivated and instructed 70 third grade bilingual students to reach significant gains, closing the achievement gap between students in affluent communities and students from low socioeconomic backgrounds by 39 percent in both reading and math.
- Planned and implemented daily lessons and unit instruction, in both Spanish and English.
- Developed operational systems to run daily instruction, behavior management, and procedures.
- Calculated and tracked performance on academic objectives to provide differentiated instruction.

Teach For America—Placement Coordinator (Summer 2009)

- Coordinated the placement of over 250 incoming teachers as part of the Teach For America Corps.
- Communicated with approximately 100 principals regarding the qualifications and talents of admitted Teach For America Corps Members to influence their hiring decisions.

Student Government Association, James Madison University—Student Senate (2006-2008)

- Served, informed, educated, and represented the student body of the College of Business.
- Executed financial requests for all student organizations in the form of contingency bills, distributing \$40,000 while Contingency Liaison to the Executive Treasurer of the student body.

Virginia Migrant Education Program—Tutor (2006-2007)

- Tutored Latino students to help foster learning outside of a school environment while instilling Spanish language and appreciation of Latino culture in young scholars.

International Study Abroad—Salamanca, Spain (January 2007-May 2007)

- Studied International Economics, Advanced Conversation in the Spanish language, and Spanish Civilization at the Universidad de Salamanca.

James Madison University Office of Residence Life—Resident Advisor (2005-2007)

- Served as a leader within an upperclassman residence hall organizing academic, multicultural, and personal growth programs working towards the advancement of student achievement.
