## Dependent Verification

Your plan currently defines an eligible dependent as:

- Your spouse,
- Your domestic partner (same or opposite sex),
- Your dependent child(ren) under the age of 26, and/or
- Your spouse or domestic partners dependent child(ren) under the age of 26.

On the next screen you will be presented with an opportunity to verify information related to your dependents. You are required to remove all ineligible dependents. By clicking the "Continue" button, you acknowledge the definition of an eligible dependent, and accept that future coverage will be limited to your verifiable eligible dependents.

### Reminder about dependents turning age 26:

- Dependents remain on medical coverage until the end of the calendar year they turn 26.
- Dependents remain on dental coverage until the end of the month they turn 26.
- A dependent's 26th birthday is NOT a Qualified Life Event.
